UTILITIES AND TRANSPORTATION COMMISSION

Agency No. 215

July 1, 1995 Through June 30, 1996

Overview

We performed the statewide single audit of the state of Washington for the fiscal year ended June 30, 1996. In accordance with the Single Audit Act of 1984, we audited the state as an entity, rather than each agency separately. The results of this audit will be published in a statewide single audit report which includes the following:

- An opinion on the financial statements.
- A report on internal control structure-related matters based solely on an assessment of control risk made as part of the audit of the financial statements.
- A report on compliance with laws and regulations that may have a material effect on the financial statements.
- An opinion on supplementary Schedule of Federal Financial Assistance.
- A report on internal controls over federal financial assistance.
- An opinion on compliance with specific requirements applicable to major federal financial assistance programs.
- A report on compliance with general requirements applicable to federal financial assistance programs.
- A report on compliance with laws and regulations applicable to nonmajor federal financial assistance program transactions tested.
- A Schedule of Findings and Schedule of Questioned Costs.

The work performed at the Utilities and Transportation Commission included procedures to satisfy the requirements of the 1996 statewide single audit and supplemental reviews and tests deemed necessary in the circumstances.

There were no findings or questioned costs for the Utilities and Transportation Commission.
